APPENDIX TWO

ARTICLES AND TOPICS OF ARTICLES IN GOOD NEWS MAGAZINE

This chart forms a summary of major teaching articles included in *Good News* magazine from 1910 to 1934, while Sarah Jane Lancaster was editor. Testimonies, reports, poems and articles of half a page or less are not included. Many of the articles are reprints from other magazines (usually from overseas) but have been listed here because, although there is the usual editorial disclaimer, they were clearly selected and generally approved on the basis of their content. Where an article is reprinted, I have counted it as a separate article. Note also that in virtually every edition, several pages are devoted to children and several to reports from the mission field — India and Japan in particular. These are not included in this summary.
