INTERVIEWS AND CORRESPONDENCE

Note: Because of my interest in Pentecostal history, I began interviewing people on this subject in the 1960s. The original notes of many of these interviews were lost in a fire that destroyed my office in 1987, although I had by then drawn on them in compiling my earlier work *Heart of Fire*. So it is not possible now to record all the relevant dates. In some cases, I have talked with people more than once. Many of their names appear in this thesis or in *Heart of Fire*. The following is a list of names of those people I have interviewed or corresponded with at some point and whose comments were relevant to this thesis —
